THEATRE.

Creating Professional Theatre for More Than 60 Years

Founded in 1959 as a summer acting company, Asolo Repertory Theatre has evolved into a nationally recognized professional theatre powerhouse synonymous with artistic excellence. One of the few theatres in the nation that performs in rotating repertory, Asolo Rep produces a full season of contemporary and classic works as well as high-caliber musical theatre, led by some of today's most sought-out creative teams, actors and artisans—many with notable Broadway and television credits. But before the shows hit the stage, the artistic vision gets its start in Asolo Rep's expanding Koski Center on Tallevast Road. It's here that sets, props, costumes and wigs come to fruition not only for Asolo Rep's shows but for commercial projects and theatrical productions throughout the country, including Broadway, theme parks, television and film.
